Prayer for the month

All through this day, O Lord, let me touch as many lives as possible for thee, and every life I touch do thou by thy Holy Spirit quicken, whether through the word I speak, the prayer I breathe or the life I live. In the name of our Lord and Saviour, Jesus Christ.

FROM GRAHAM HEDGER

Eight years in the planning and a few weeks in the execution. That's the Olympics. I was listening to the person co-ordinating the Torch relay on the TV just before I wrote this. She said that they had spent three and a half years planning for the relay. It took even longer for the Games. In fact if you add on the time taken to prepare the bid I guess it's taken a decade. What a lot of effort.

When I went round the half completed stadium complex a couple of years ago, it was an awe inspiring experience - even more so now, as people walk through the gates and see the completed arenas and the athletes competing. For those who are there it will be memorable, and perhaps too for those who sit at home and watch it. In one sense, with the introduction of professional athletes the values of the Olympics have changed, but the fundamental values of people coming together at the peak of fitness to compete against one another hasn't. So whether you are watching the Olympics or the Paralympics, enjoy and celebrate the hard work and fellowship that the athletes share.

It was St Paul who, looking at the athletes of his day, called on Christians to strive to run the race of life with endurance, and dedication. So inspired by those we watch, let us join in the race of life, renewed in our endeavour to follow Jesus.

If we think the Olympics took time to come to fruition, then what about the great plan of salvation that took centuries? Recently, I've been reflecting

on how God moves in history and, because he uses humans, it isn't always straightforward but eventually because God is sovereign, the plan comes together. Perhaps that is why we, his children in this generation need to be alert to His call and ready to respond. And, just as the athletes drafted in to a team at the last minute they have to be ready to play their part, we too may find that God has something special for us to do.

Services - During August there is always much coming and going, with folks on holiday or taking advantage of good weather to have a day out. So, following last year's pattern, we are going to have just one service per Sunday (two on the fourth Sunday). We will again use the Celtic communion service produced by Jane that seemed to work very well in 2011.

FFY trip to the beach

FFY will be running an expedition to the beach from 2pm to 8pm on **Wednesday 15th August**. This will include a crabbing expedition, swim in the sea, beach games and a BBQ. Meet at Walberswick car-park near the beach at 2pm. Bring crabbing things, swimming things, additional snacks, money for ice-creams. This is for all the family but FFY members need to have permission forms signed if they are going to be supervised by us. Cost £4 per person to include the BBQ. See Michelle for the permission form which needs to be signed by parents. Call 890269 for any further information.

NEWS FROM THE PARISHES

ASHBOCKING

A big "thank you" to everyone who donated to Christian Aid during May – this year we raised just over £213 in Ashbocking. Thank you also to those involved in the distribution and collection of envelopes.

Planning a little further ahead - this year, the Suffolk Historic Churches Bike Ride will take place on **Saturday 8th September**. As in previous years, Richard Davison will be coordinating for Ashbocking.

If you would like a sponsor form – please contact Richard (details in the front of the magazine).

CLOPTON

The concert in the church by the Ipswich Operatic and Dramatic Society on 23rd June was a great success and we sold 108 tickets (our target was 100!) There was a very varied programme including something for everyone. Included were Zadok the Priest, songs written by Andrew Lloyd Weber, the last night of the Proms, Jake the Peg and many others. Thank you to Sue and David Emmerson for organising it. We raised £1,174 for the Bell Fund. There was a wonderful selection of finger food - Clopton has some excellent cooks! Thank you all.

People worked hard after the show and early the next morning to make sure the church was ready for the Baptism Service at 11.00am. The church was full of family and friends of Amanda and David to see Rufus Eilledge-Fisher baptised by Graham. Xanthe was a very proud sister and gave Rufus his baptism candle.

The Strawberry Tea was held on one of the rare sunny days and raised £300 for the Bell Appeal. As usual there were plenty of delicious cakes, thank you to all who baked or gave prizes for the Tombola.

There will not be a Ladies Group meeting in August. The August Coffee Morning will be in the Village Hall on **Wednesday 15th** from 10.00am until noon, and will be hosted by me.

The annual Suffolk Historic Churches Trust sponsored bicycle ride will be on **Saturday 8th September**. If you would like to ride for Clopton sponsor forms are in the church or you can get them from Doris Main. You can either walk or cycle and it is a great chance to see different churches. Last year was the first time that we did not have any riders for Clopton. Half of the money raised goes to the church and half to SHCT. If anyone would to sit in the church to record visiting cyclists please let me know.

As part of the Bell Restoration and Community History Project the church will have a web site. This is slowly being developed and the address is www.cloptonchurch.org.uk When the work on the bells is finished, we

plan to form a group that will record Clopton's history and transcribe records etc. for the website, and to have a heritage centre in the church containing all the records. If you are interested in helping, please contact me.

OTLEY

The village fete was well supported this year with lots of families enjoying themselves, which was great to see. The children had worked hard for the gym display, the tug-of-war drew a large crowd, and there were a good number of competitors in the dog show, which was very entertaining. This year different organisations ran the stalls and split the takings equally with the Community Council. St Mary's PCC provided the teas and made £94 for each, a total of £188. Karin wants to thank everybody who helped with this. The whole event was masterminded by Nathan Cant for the first time and he did really well, especially after his recent health scare. In the evening there was a barbecue with a bar and music. Some of this was provided by Nick Ling, accompanied by Jasper Beaumont, on guitars. Nick has a very good voice and we hope to hear more of them. The whole day made £1,537 for the Community Council. Thank you to everybody who made it the success that it was.

It is wonderful news that Otley has won the Village of the Year award in the Suffolk Coastal district, and congratulations to everybody. Vanessa Osborne, the Parish Clerk, has written about it below, but please note, that the award will be presented at the Village Show on 8th September and we are hoping there will be a great number of people there to see this, and applaud! Entry forms for the show are available from the Post Office, with classes for home-grown produce, cooking, handcraft, art and photography. These include: the longest cucumber, 6 flapjacks, a floral arrangement depicting 5 Olympic circles, an unframed photo of British weather, and - for the children - make a crown, a painting of the Queen, and design an Olympic logo. There are some imaginative choices so the organisers hope for many entries. Entry forms must be returned to the

Post Office as early as possible, but - at the latest - by 6.00pm on **Wednesday, 5th September**, so start planning now.

The date of the show, **8th September**, is also the date of the Sponsored Bike Ride for the Suffolk Historic Churches Trust and your own church or chapel. It would be very good to see some new riders for Otley this year. Sponsorship forms are available from the church and James Hall.

On **22nd September** we shall be holding another Progressive Dinner so please get in touch with Vanessa Ling on 890787 or Ruth Farnhill on 890543, if you would like to take part. The cost will be £10 per head. They need numbers early, so they can make a start on the complex planning required.

There will be a weekend of celebrations to mark Otley Hall's 500th anniversary on **29th/30th September** with two Open Days 12.00noon - 4.00pm. To coincide with this, there will be a local history exhibition at the village hall, which Sally Whiffing is organising, and she would be glad of some volunteers to help her. Please ring her on 892030.

The next monthly coffee morning will be held on **Thursday, 9th August** at Betula House in Chapel Road, the home of Audrey Farley, and she will look forward to welcoming you there from 10.00am.

Good luck to the stewards from Otley going to London for the Olympic Games, and we hope everybody will find an event to enjoy on television. We wish everybody a happy holiday - and some sunshine.

Three Peaks Challenge

At 3.00am on a typically wet and windy summer's morning a group of intrepid climbers from Otley set out on their challenge to climb The Three

Peaks. After a very wet journey we arrived at the foot of Ben Nevis with just a hint of light rain in the air. Armed with our provisions of energy bars, survival kits and waterproofs we started our ascent. The scenery was quite breath taking as we scaled this majestic mountain which greeted us at the summit with several feet of very cold crisp snow. After a successful descent we recovered at a nearby youth hostel before travelling onto Scafell Pike in Cumbria early the next morning.

We had been promised spectacular views from the top of Scafell, looking out over the Irish sea to the Isle of Man, but the weather dictated otherwise! After reviewing our risk assessment, we decided that, in spite of the torrential rainfall that preceded our arrival, it was still safe for us to proceed. At the foot of the mountain our first obstacle was to cross a very fast-flowing river, which tested our agility on a bridge we managed to construct from old drift wood. After a very gruelling climb, hampered by the weather, we made it to the top and eventually arrived down safely just after midnight.

We decided to abort our attempt to reach the comfort of our reserved youth hostel in Wales and opted instead for the sanctuary of a service station and the minibus. Although slightly off schedule, we arrived at Snowdon in sunshine the following morning, ready to embark upon our final climb. Our group was quite diverse, with some springing from rock to rock with the agility of mountain-goats, whilst others preferred to plod like Hannibal's elephants crossing the Alps. Whatever our style, we all helped and supported each other. When we gathered at the foot of Snowdon, our challenge safely completed, there was a tremendous sense of camaraderie and achievement. Not only had our efforts boosted the funds of St Elizabeth Hospice and Cancer Research, but each and every one of us could feel that we had worked well together as a team, whilst enduring a very physically and mentally demanding challenge.

The Six Villages Torch Run for EACH

25 volunteers from Otley and Ashbocking took part in yet another great event on Saturday 7th July - the six villages' torch relay organised by the Barley Mow pub and involving local village pubs and clubs. Runners carried an Olympic-style torch for 200m each from the Barley Mow in

Witnesham to the White Hart at Otley, from there to the Moon and Mushroom in Swilland, the Tuddenham Fountain, the Westerfield Swan and Railway, then back to Fynn Valley Golf club and the Barley Mow to finish. Great fun was had by all. Gary ferried the White Hart runners to their positions before they ran in a convoy, led by an enormous flag-covered tractor. Film crews and professional photographers were on hand to capture the day. Young and old took part and it was all in aid of the East Anglian Children's Hospice appeal. Team T-shirts were worn and Olympic-style medals are to be awarded to runners by their local pub. Making the day truly special was the arrival of no less than TWO official Olympic 2012 Torches, so we all had the opportunity to have our photos taken with a torch. An Otley/Ashbocking relay team photo was taken to record the great day.

Well done to everyone who had a go and not only had a memorable day, but helped raise much-needed funds for the Children's Hospice. Thank you to the team at the Barley Mow for organising such a good event.

Otley wins Village of the Year awards 2012

The parish council is delighted to announce that Otley has won the Suffolk Coastal Village of the Year award for 2012, having been up against stiff competition from Orford, Kelsale-cum-Carlton and Yoxford. The village will receive the annual trophy and a cheque for £200 at the Otley Village Show on Saturday 8th September at 3.00pm. Otley will now go forward as the District Council's representative in the county-wide competition organised by Suffolk Association of Local Councils.

A big thank you must go to all those who came out armed with lawnmowers and hedge trimmers and the representatives of the village who met and chatted with the judges. Winning the award is testament to the many residents who volunteer and offer support to the village, of the numerous clubs and activities for all ages that run in Otley and if it wasn't for them there would not have been anything to write about on the entry form!

Vanessa Osborne

Otley and District Gardening Club

On the 30th June 32 members of the gardening club and friends, visited Audley End House and Gardens near Saffron Walden in Essex. The visit included a walk around the park landscaped by "Capability" Brown and

tours of the house, the Victorian service wing and the stables. A steward gave us a short talk on the history of the house. It is a Jacobean house, built in the early 17th century and in 1948 it came into the ownership of the government department which later became English Heritage in 1984. In 1942 it was the headquarters of the Polish branch of the Special Operations Executive (SOE), and there is a memorial in the gardens to those who died behind enemy lines in the war.

The Victorian service wing consisted of the kitchen, dairy and laundry and ladies in costumes of the period demonstrated their cooking and butter making skills. Three horses were kept in the stable block and in addition, there was also an audio visual presentation describing the lives of the various employees during the Victorian period. Behind the stables a large kitchen garden has been developed, where all the fruit and vegetables are grown organically and some are available for sale. The weather stayed fine for the whole day, which helped towards us all having a very enjoyable day. Thank you to Tess and David Papworth for organising the trip.

Otley Hall Tudor Feast!

On **Saturday 29th September** we will be holding a grand Tudor Feast as part of our 500 year anniversary celebration weekend. With specially prepared period food and drink, this will be an evening to remember! With platters being paraded around the room in front of the 'Lord and Lady' of the Hall, guests will dine to the sounds of the Lute.

Traditional Tudor dancing and music will follow the feast accompanied by sweetmeats and flavoured sweet wines. Join us for an evening of merriment and laughter at one of Suffolk's oldest houses. Tudor dress essential! Ticket prices start at £49.50 limited places available. Please contact Karen on 890264 or email enquiries@otleyhall.co.uk

SWILLAND

I hope that by the time you read this the weather will have improved. Harvest should have started and we will hope for dry, sunny weather for harvest and the school holidays. I have recorded 19" of rain so far this year - our usual annual rainfall for the whole year is usually between 20" and 23".

The Suffolk Historic Churches Bike Ride will take place on Saturday 8th September from 9.00am - 5.00pm. Please ask me if you would like sponsorship forms either for taking part or for sitting in the Church. It is quite acceptable to do it on foot if you do not want to cycle. It is a good opportunity to see inside churches that are usually locked. Refreshments will be available in most churches. If you are able to sit in the church for an hour or two to received cyclists/walkers, please let me know.

Rainfall – June 2012

With the rain still coming down in torrents as I write at the beginning of July, I hardly dare comment on the problems it is causing. There were a few brief spells of fine weather in June and we certainly haven't suffered the severe floods that have occurred in other parts of the country which is

something to be thankful for. The rainfall in June came to 2.95 inches giving us a total for the first six months of the year of 12.20 inches. This quantity of rain is not excessive for the period; it just happens that most of it has come in the last three months which is unusual, blame the Gulf Stream (or the jet stream). I have recorded totals of 10-12 inches in the first six months on a number of occasions but the majority of rain has come earlier in the year. When a dry spell of weather does eventually come sometime this year, we must appreciate it all the more.

RUTH

The Book of Ruth is one of the shortest books in the Old Testament and it tells the story of a girl who came from Moab. Ruth married one of 2 brothers, both of whom died.

Her husband's mother decided to leave Moab and to return home to Bethlehem. Orpah, the wife of the other brother, stayed in Moab but rather than leave Naomi old and alone Ruth went with her saying, 'Where you go, I will go; your people shall be my people, and your God my God'.

Ruth and Naomi were poor and had to search for food but were protected by Naomi's relative Boaz. In time Boaz married Ruth and they had a son called Obed who in turn was grandfather to King David the founder of the royal line which led to the birth of another boy at Bethlehem, the baby Jesus.

Naomi and Ruth both knew what it was to be a stranger in a foreign land but they supported each other. The story of Ruth shows us the love and loyalty that can hold a single family together.
