### **July 2014**

#### **A basket from Babylon... could be yours!**

Have you been to Babylon? It is only round the corner... Babylon is the name of an area of Ashbocking where Eileen and Paul Plummer live. Ashbocking church is having an Auction of promises to raise money for its roof, maintenance and organ in July. So Eileen Plummer has imaginatively decided to present a **Basket from Babylon** full of local 'Babylonian' produce with the help of her neighbours. This basket will contain goat's cheese and yogurt, Suffolk rusks, honey from local bees, vegetables and to top it all, a hand-made tea towel embroidered 'Ashbocking' and 'Babylon'.

Eileen's neighbours have caught her vision and are thinking through what they can offer, whether they come to church or not. This seems the best of community to me, when we can support each other's projects and support our local church building which has stood for hundreds of years and will stand for many more years, if we take good care of it. The concept of 'community' is one of the six attributes of Church that this benefice is looking at to understand the church's role better. A good Church can help build a good community. Jesus' second commandment is 'to love your neighbour as yourself'. Life is not satisfying when we take the 'I'm all right Jack' approach, but is better when we can be there for each other. Most people want to live in a friendly community where fun things happen and that does take time, thought and effort.

In Otley we recently ran a Pet service followed by The Big Lunch. Nearly 200 people came and joined each other for lunch on the playing field. There were running and sack races, games for little ones, a quiz, a treasure hunt and a raffle. Everything was free and there were no prizes. It was so simple and people loved it. But it had taken 3 months of planning by a committed group of volunteers led by the Reverend Jane Hall, to make the event happen. I know most of us are very busy but we need to value our Community enough to help: make things happen or turn up and enjoy what has been organised.

Even if you are not an Ashbocking resident you can offer a prize for the auction, because within the benefice we are neighbours too and it is good to support events across the churches, see the great range of events in the 'What's on across the Carlford Benefice' section. Or anyone can come on the night of the Auction and help this community event by bidding for promises, see later for details. Who knows, you may win the Babylonian basket!
