'Extraordinary Ordinary Time'

After the great festivals of, May - Pentecost and June - Trinity, the Christian calendar begins the season of Ordinary Time. I always feel this is a rather downbeat title and personally prefer to call these weeks 'growing time', a heading that would even marry up with the 'green' colour of church vestments worn. June begins a sustained period of bible teaching when we can take stock of what it means to live in a community as a Christian; to consider what our purpose in life is; to refocus perhaps, or certainly sharpen up, the direction of our efforts and energies in life.

I write this in the knowledge that for our family, like some others in the benefice, this year's June will be anything other than ordinary: for we celebrate the gift of marriage. I think I speak on behalf of all the ministry team in saying that Marriages are wonderful Pastoral Offices to be involved in. They enable relationships to be formed and nurtured, and faith in Christ to grow. However, it is not often that a son or daughter asks their parent to conduct the marriage ceremony itself – but such is the case on June 4th, 2pm at St Mary's Church, Grundisburgh. For me this is a huge privilege, deeply meaningful and certainly a high point of my priestly calling. So, with butterflies in my stomach, even now, in twilight years, I am still growing in God.

The hymns and readings, chosen by Kirsty and Simon, have taken on new meaning as I read them afresh, overlaid on all the experiences and events occurring on sacred ground. Our churches are where people gather to give thanks to God - I recall weekly Sunday worship, Holy Communion, choir practice, baptisms, funerals (too many of late), confirmation services, weddings, crib exhibitions, concerts, and so much more.

I come to the conclusion that there is nothing ordinary about living with Christ.

If you can celebrate with us, we'd love to see you – weddings in churches are public occasions. If however, you read this after 4th June, then please reflect upon the following words, and how they relate to your own life (whether you are married or not) for 'God's is the glory known in this place.'

God, in the planning and purpose of life, hallowed the union of husband and wife;
This we embody where love is displayed, rings are presented and promises made.

Jesus was found, at a similar feast, taking the roles of both waiter and priest,
Turning the worldly towards the divine, tears into laughter and water to wine.

Therefore we pray that his spirit preside over the wedding of bridegroom and bride.
Fulfilling all that they've hoped will come true, lighting with love all they dream of and do.

Praise then the Maker, the Spirit, the Son; Source of the love through which two are made one.
God's is the glory, the goodness and grace seen in this marriage and known in this place.

(Sung to the tune Slane – perhaps better known as Lord of all hopefulness.)

Rev'd Wendy Gourlay

Fast Broadband from your Church Tower

The Church always welcomes the opportunity to work in and with the community and a new opportunity has presented itself whereby the church parishes of Ashbocking, Boulge, Burgh, Clopton, Grundisburgh, Hasketon, Otley and Swilland, collectively known as the Carlford Benefice, have taken the first step to improve the speed of broadband in our area.

How can they do that you might ask? Well we have interviewed 3 suppliers of Wi-Fi (wireless) broadband and have invited County Broadband to use our church towers as relay stations for their service.

However it doesn't just stop there. As a commercial undertaking County Broadband will only come into our area if there is a sufficient take up of their service by householders and businesses.

So to take the second step we all need to play our part, whether we live within or outside the Carlford Benefice, by coming along to one of the public meetings at Grundisburgh Village Hall at 7.30pm on 14th June or at Otley Village Hall at 7.30pm on 15th June. County Broadband will talk to us about what they can provide and what it will cost. We will be able to ask them ANY questions we may have about any aspect of the arrangement.

Please come along and decide for yourself whether County Broadband can provide the broadband service you need and at the right price for you.

Should County Broadband proceed Carlford Benefice will receive £600 per year for every tower that is used as a relay station. The money received, as part of this community project, will be divided equally between all 8 of the churches.

SIGNPOST

This month we are signposting....An online way to help you pray:- Google "Rejesus Daily Prayer"

Opening Clock

The first screen shows you that it knows what day and time it is and lets you know if you are doing morning, daytime or night prayer. It draws you from the busyness of life and the environment of computers into a deeper world of imagery and focus on Christ. The meditative 'Jesus Clock' could symbolise Jesus' presence with us every second.

Traditionally daily prayers have had different focus for each day. Sunday focusses on Jesus' death and **resurrection**. Monday is the Holy spirit and mission and so on through the week. With the rejesus daily prayer Each day of the week, Sunday to Saturday, Jesus is given an alternative name to mirror this tradition. The large background image also emphasises that name.

Beginning prayer

The opening prayer is where you can focus your thoughts and attention on prayer. It gets you into the mood. There is a different prayer for the three different times of the day - morning, daytime and night.

Each of these prayers asks you to think about your situation or mood by asking you some questions to promote thought. It then finishes with a prayer.

The story

In this Jesus focused daily prayer there are 31 stories taken from the four gospels (the first four books of the New Testament) and from Acts (the next book that talks about what happened next...).

Each day of the month you will get a different story that shows a glimpse of Jesus life. Some of these might be familiar and well known. Others might be new to you. Each story has some thoughts or ideas for meditation that can help you reflect more on the passage.

Prayer exercise

After the bible passage there is time given to prayer. There are a range of different prayer exercises to try from simply sitting in silence to pouring out the desires of your heart. Give them a try. Prayer can be much more than sitting with your eyes closed and your hands together.

The world

The daily prayer finishes off with a suggestion of some action that can take what you have received and give out to the world around you. These actions tie the daily prayer together as they relate to the name of Jesus for that day.
