

## **PRAYER FOR THE MONTH**

Creator, Redeemer, Sustainer, we praise and thank you for the lush greens of Suffolk in June and for the long days of midsummer. Use us to bless those whose lives are dry or dark.

Renewed by Spring, nature gives you praise in the songs, and scents, colours, tastes and touch of Summer. After our renewal in the special times of Easter and Pentecost, may we continue to praise you in the ordinary days of this month, and to serve the ordinary people with whom we live and work.

### **ASHBOCKING**

The coffee-morning at Otley Hall in May was well-attended and several people enjoyed the private tour of the house with anecdotes from Catherine about what it is like to live there with her family. The **next coffee-morning will be on Friday 5 June** at Jan and Jon Bates at 10.30am at 4 The Cottages, Ashley Grange, off The Green, Ashbocking. The Pollards have offered us parking at Hawthorns.

There will be a **churchyard working-party at All Saints Ashbocking on Sunday 7 June** from 10am coordinated by John Pollard and Kev Balaam. Please bring hand protection and stout shoes, plus a picnic for lunchtime. Any questions, ask John on 890836 or Kev on 07917 024030.

At the communion service on **Sunday 14 June** at 11am the theme will be '**Understanding God's grace**' when Catherine will talk about God's generosity and grace.

The **Confirmation service will be on Sunday 21 June at 4pm** at the church. Please come and support Liz Stegman, Steve and Sarah Wilson, John and Linda Pollard, Adine Schrankel, Stephanie Andrews Pearce and Shirley and Sarah Coady as they affirm their

faith in public. No-one knows when the last confirmation service was held at our church – certainly not within living memory - so it is an historic occasion! After the service there will be a bring-and-share supper (finger-food only) at Otley Hall. Please can you sign up in the church to let us know what you will bring, or call me on 890836. You can drop food off at Otley Hall before the service, from 3pm.

## **Frances Lilian Priestnall 1914-2015**

Frances was born, the eldest of four children, in Ipswich just before the start of the First World War. She was brought up in a Christian family and was a member of St Margaret's Church. Aged eleven she won a scholarship to Central School in Ipswich. She was a Girl Guide and then a Ranger and continued to help and go on camps until her daughter was born. After leaving school she trained in book keeping and accounts. When she was nineteen she went to work as a dental nurse for dentist William Priestnall, a widower, and as she said 'love blossomed over the spittoon'. When they married in 1936 she gained a stepdaughter only seven years younger than herself, but they were very happy together.

In 1939, with war imminent and their daughter Roseanne expected, they decided to move to 'quiet' Clopton, but by 1942 the Americans had arrived and Snipe Farm Road, where they lived, was part of the camp. In 1955 they moved to Church Leas in Clopton. They sold their dental practices in Felixstowe and Ipswich and set up in Clopton. They saw patients in the evenings so that farm-workers could come after work and after the war they treated many of the displaced persons living in the village.

Sadly her husband died in 1966, but Frances lived in Clopton for another twenty years before moving to the almshouses in Levington near her daughter. She lived there for 25 years before spending her final four years in a nursing home.

Frances had a really full life. She was in the Mothers Union for 60 years, collected stamps for the Leprosy Mission, overcame breast-cancer and then helped others coping with it. She travelled to South Africa many times to visit her stepdaughter. Her great joy was singing and she was still doing so when she reached 100. She always dressed up for church and always wore one of her famous hats. She was a lovely lady who will be remembered with fondness by all who knew her.

The full tribute to Frances, written and read at her funeral by granddaughter Alison, can be seen on Clopton Church website [www.cloptonchurch.org.uk](http://www.cloptonchurch.org.uk) under Heritage, Memories of Local People.

## **OTLEY**

At the annual church meeting in April, Richard Treloar retired as churchwarden. Clare thanked him for the sterling work he has done during two spells in the post, and Nigel Crowley presented him with a jasmine shrub and a garden voucher as a thank-you from the PCC. Nigel is now the only churchwarden. Penny Clark was re-elected as secretary and Tessa Brown as treasurer, having succeeded Ian Liddell during the year. The rest of the church council was re-elected, without Richard but with the addition of Phil Sweet.

Nigel presented the churchwardens' report, giving highlights of the past year, among them the pets' service on the playing field, the harvest supper, and the many food contributions to FIND. There had been four weddings and one baptism, Jane Woods is progressing with her training as a lay reader, work with the children is continuing, and the men's group is well supported. There will be substantial building works to be carried out at the church later this year. He thanked the many people who helped in the smooth running of the church.

The church has been given a brand new carpet, ruby red, which enhances the woodwork of the choir stalls and pews and brightens up the interior. It is a very generous gift and looks super.

Will everyone who holds any keys for the key-box or anything else in the church please let Nigel know - tel. no. 890546.

On 9th May at 11 o'clock, together with many others across the country, our bellringers rang the church bells to celebrate the 70th anniversary of V.E. Day. It was moving to think that we were part of a nationwide event when bells in large cathedrals and small parish churches were being rung simultaneously.

On Sunday 14th June, 6.30 - 7.30pm, John Finlinson will be coming to the village hall. In the past he was caught up in crime and served time in prison, but now he is a singer/songwriter who has turned his life around, and he will be talking about this and playing his music. Catherine says it is an amazing story. Entrance is free and the evening is supported by FFY and St Mary's, Otley.

Otley is again entering the Suffolk Coastal Village of the Year competition and Vanessa Osbourne, the Parish Clerk, is hard at work compiling the written entry. Many of the village groups have given information about events and outings throughout the year and this will be good for the section on community spirit. As part of the Suffolk Coastal "love where you live" initiative, there will be a litter-pick led by members of FFY on 18th June, ending up at the White Hart. The start time and place will be announced (watch the blackboard), but please feel free to join in as this will take place prior to the judging. Volunteers to mow the grass are also required. Penny Sunaway is leading the way on this one and she says 'Good luck, fingers crossed, and let's see how we get on'.

The next coffee-morning will be held on Thursday 25th June at Pheasant Cottage, Otley Green, the home of Tessa and Chris Brown.

Finally, congratulations to Nellie Sunaway in completing the London Marathon and raising so much money for Age UK.

*Rose Rogerson*

### **The London Marathon**

Nellie took part in the London Marathon on behalf of Age UK Suffolk and we all had an amazing day watching her go round, managing to

see her three times, at the 9, 13 and 25 mile marks. She was cheered on by many supporters from the village - George and Alyson Chilvers and Ruthie Bullock, to name a few who had made the journey and lifted her spirits as she raced round the 26 mile course in 3 hours 43 minutes. This gives her entry into next year's marathon under the 'good for age' system.

We would all like to thank everyone in the village who took part in all the competitions, games and events throughout the fundraising, which brought her to the amazing total of £2,454-14. We couldn't have done it without you!

Nellie is in the middle of her final exams at the University of East Anglia and, sadly, had to have an emergency appendectomy at the beginning of May, so we still haven't managed to celebrate her wonderful success yet. She is well on the way to recovery and now back at uni.

*Penny Sunaway*

### **Casino Night**

This was a very enjoyable evening and well-supported by the community. We raised a fantastic £760 towards our school 'science investigation area', which is our next project. The evening was so successful that we plan to hold another one next year. Watch this space.....

### **Otley under 5's**

With our older children having now received confirmation of their primary school, we are familiarising them with the general idea of what school will involve. Alongside organised settling-in sessions with Mrs Tomany and the reception class, all our 3 and 4 year olds join Otley Primary School on Thursday mornings for assembly and during some break times they all have fun together in the playground mixing with prospective classmates. We incorporate all of this into our usual timetable of fun and learning and the children continue to be busy in our outdoor play area, painting the playhouse, watering the vegetables, flowers and herbs and using the ride-ons to manoeuvre around obstacle courses. We are now open five days a week, so come and have a look and book a free trial session, or see our stands and find out more at the Easton & Otley College open day on 14<sup>th</sup> June and at the Otley Village Fete on 4<sup>th</sup> July. Tel. Michelle on [07789 468853](tel:07789468853).

### **Village fete and OtleyFest – 4<sup>th</sup> July**

The fete will start at 2pm and include the usual stalls, refreshments, bar, tombola, draw, dog-show, displays by the Scouts, games, and a

childrens' fancy-dress competition for super-heroes. The afternoon will end with races, tug-o'-war and egg-throwing before a barbecue and OtleyFest, with live music from local musicians, begin at 5.30, continuing until 10. If you would like to have a stall, please contact [otleyfete@gmail.com](mailto:otleyfete@gmail.com) and if you would like to perform in OtleyFest, please contact [otleyfest@gmail.com](mailto:otleyfest@gmail.com). Alternatively, ring Nathan Cant on 07979 185270.

## **SWILLAND**

What a wonderful time of the year! The blossom has been magnificent and I always marvel at all the different shades of green. The oak has definitely come out before the ash, so we should only have a splash.

Two Swilland entrants in the Hadleigh Show did very well in the livestock classes. John Waspe had a first and several other rosettes with his sheep. Pauline Byam had a first and several other rosettes with her cattle. Well done to both of them. They will also be competing at the Suffolk Show, so we wish them the best of luck.

**RAINFALL – APRIL**

April is the month that should give showers to produce May flowers, but apart from a few at the beginning and some at the end, the month remained dry with a total of only 1.0 inch of rain. The nights were still quite cold and didn't warm up until the beginning of May, but now the hedges and garden plants have put on a spurt of growth. Spring has at last arrived and our swallows are back and are busy building nests. However, the one bird that hasn't returned is the cuckoo - has any one heard it this year? We have now had four months with a total of 6.0 inches of rain which is about average, although it has given the impression of being a dry time.

## **SMILE LINES**

### **Techie trouble**

A vicar experienced some technical problems with the sound system in church one Sunday. Instead of starting the service as usual with 'The Lord be with you', she said: "There's something wrong with the microphone."

Not hearing this, the congregation responded: "And also with you."

### **With clergy ordinations in mind...**

First friend: 'It took me forty years to discover I didn't have the gifts for a priest in holy orders.'

Second friend: 'Goodness, whatever did you do when you found out?'

First friend: 'It was too late to do anything. By then I was a bishop!'

"Remember: the longer the spoke the greater the tyre."

## DADDY?

You know how sometimes we mishear things? A little boy that I know said that they had sung 'Away in a Manger' in the Nativity play at his preschool. He was convinced from singing this carol that Jesus had another name because he had heard it as 'little George Jesus asleep in the hay'.

In the same way a little girl said that she knew God's name because every time people said the Lord's Prayer she heard it as 'Harold be thy name'.

When Jesus gave us the prayer we call The Lord's Prayer he told us what to call God – you can read about it in Matthew's Gospel, chapter 6, verses 5-15.

The word that Jesus used for 'Our Father' was 'Abba' which is the way that children then spoke

to their father, like we use the word Daddy now. Every time we say the prayer we remember that God is our loving father.
